

General Product Safety Regulation (GPSR) Compliance Statement

1. Product Identification

Product Name: Pinecones - Upgrade for Cascadia (+Landmarks)

Product Type: Board Game Accessory

Material: Polylactic Acid (PLA)

Intended Use: Enhancement or replacement of components in the Cascadia board game to improve the gaming experience.

2. Manufacturer Information

Manufacturer Name: Forgd

Address: Erlengrund 23, 68789 St. Leon-Rot, Germany

Contact Email: info@forgd.de

3. Compliance Declaration

We hereby declare that the aforementioned product complies with the requirements of the General Product Safety Regulation (EU) 2023/988.

4. Care and Disposal Instructions

Usage: Use the product as intended within the context of the Cascadia board game.

Care: Clean components with a soft, dry cloth. Avoid exposure to water or chemical cleaners.

Storage: Store the product in a cool, dry place, away from direct sunlight and heat sources to prevent deformation.

Disposal: PLA is biodegradable. Dispose of the product in accordance with local regulations for biodegradable plastics.

5. Safety Warnings

- Not suitable for children under 14 years.
- Contains small parts that may pose a choking hazard.
- Avoid contact with open flames or high heat sources, as PLA can melt at elevated temperatures.

6. Declaration and Signature

I, the undersigned, declare on behalf of Forgd that the product meets the applicable European safety requirements.

Location, Date: St. Leon-Rot, [Current Date]
